

Concentrated nutrient combination for cartilage, bones, connective tissue and the musculoskeletal system.

Natural anti-inflammatory

Vita Chondrocurma®

Collagen hydrolysate

- Most important structural protein of body tissue
- All our organs and tissues depend on a sufficient supply of collagen hydrolysate
- Collagen hydrolysate is composed of amino acids; building blocks of dietary and body proteins such as the amino acid combination proline, hydroxyproline and glycine
- Maintains the functionality of joints, cartilage, tendons and ligaments

Turmeric root extract

- Reduction of inflammatory mediators such as proinflammatory cytokines, COX-2 and PGE2
- Cartilage-protecting effect, inhibition of elastase, hyaluronidase, collagenase and cartilage-degrading cytokines
- Optimum bioavailability thanks to microencapsulation
- Pain reduction equivalent to ibuprofen and diclofenac
- No side effects

Astaxanthin

- Highly anti-inflammatory
- Rapid increase in vitality
- Strengthening of the immune system

Packs with 20 sachets or 90 capsules.

Made in Switzerland.

- Overcomes the blood-brain and blood-retina barrier
- Healthy eyes and healthy brain

Other antioxidants

- Ginger root extract
- Grape seed extract

Osteoporosis and cartilage degradation

- Regular intake of Vita Chondrocurma plus alternating with capsules or Vita Collagen Complex significantly reduces the pyridinoline level (crosslink, marker for cartilage and bone resorption)

For whom?

- Athletes
- Arthrosis patients (60 percent of 60-year-olds)
- Acceleration of healing after operations

Application: Drink: Mix one sachet daily (15 g) with 200 ml of water (prepare in a shaker if necessary).

Capsules: Take 3 capsules daily with a little water.

Packs: Vita Chondrocurma® plus, Drink 20 sachets PZN 15023679
Vita Chondrocurma® Capsules 90 capsules PZN 15023685
