Vita Collaplant Complex

Description: Food supplements. Drink powder with hydrolysed rice protein, vegan glucosamine sulphate (maize base), hyaluronic acid, astaxanthin, pine bark extract, coenzyme Q10, amino acids, vitamins and trace elements. With citrus fruit aroma.

Vitamin C contributes to normal **collagen formation** to ensure normal skin function. Manganese contributes to normal **connective tissue formation**. Biotin contributes to the maintenance of normal **skin and hair**. Zinc and selenium contribute to the maintenance of normal **nails**. Iron contributes to a normal **energy metabolism** and to the **reduction of tiredness** and fatigue. Vitamin D contributes to the maintenance of normal **bones** and normal **muscle function**. Vitamin C contributes to normal **immune system** function and helps protect cells from **oxidative stress**.

Important vital substances in vegan and vegetarian diets: Vitamin B2 contributes to the maintenance of normal red blood cells. Vitamin B2 contributes to a normal iron metabolism. Vitamin B12 contributes to the normal formation of red blood cells. Vitamin B2 contributes to a normal function of the nervous system. Vitamin C increases the absorption of iron. Iron contributes to the normal formation of red blood cells and haemoglobin. Iron contributes to normal oxygen transport in the body. Other essentials include amino acids such as L-proline, glycine, L-leucine, L-lysine, L-arginine, L-citrulline, L-methionine.

Ingredients: Hydrolysed rice protein, maize dextrin, L-leucine, D-glucosamine sulphate KCl, acidifier citric acid, L-lysine HCl, L-arginine HCl, L-citrulline, glycine, Vitamin C, D3, E, B2, B12, D-biotin, L-methionine, aroma, L-proline, sodium hyaluronate, Pine bark extract, coenzyme Q10, astaxanthin-rich oleoresin from the alga haematococcus pluvialis, sweetener steviol glycosides from stevia, orange fruit powder, lemon fruit powder, ferric pyrophosphate, zinc oxide, manganese sulphate, silicon dioxide, sodium selenate

Use: One sachet daily (18 g)
Mix with 200 ml water (or mix in the shaker) and drink.
Can also be mixed with orange juice or sweetened as desired.

Keep out of reach of small children. The specified, recommended daily intake must not be exceeded. Does not serve as a substitute for a balanced and varied diet, as well as a healthy lifestyle. Products containing astaxanthin-rich oleoresin from the alga haematococcus pluvialis are not suitable for children and young people under 14 years of age. A single product with OPC does not replace a diet comprising fresh fruit and vegetables.

Packaging:
