Vita Energy Complex® for women

Reduction of fatigue • Nervous system
Mental function • Immune system
Connective tissue • Collagen formation

Description: Iron, folate and B₁₂ contribute to a **reduction in fatigue and tiredness**. Iron contributes to the normal formation of **red blood cells and haemoglobin**. Folate contributes to a normal **bloodformation**. B₆ and B₁₂ contribute to a normal function of the **nervous system**. Manganese, vitamins B₆ and B₁₂ contribute to normal **energy metabolism**. Folate, B₆, B₁₂ D, iron and selenium contribute to normal function of the **immune system**. Vitamin D helps to maintain normal **muscle function** and to preserve normal **bone structure**. Manganese contributes to a normal **connective tissue formation**. Zinc contributes to normal **skin, nail and hair** regeneration.

Ingredients

Turmeric root extract, vegetable capsule shell (hydroxypropylmethylcellulose, colouring iron oxide), calcium L(+)-lactate, pinebark extract (Pinus Pinaster) with OPC, Ashwagandha extract (root), vitamins: [L-ascorbic acid (vitamin C), pyridoxine hydrochloride (vitamin B₆), pteroylglutamic acid (folic acid), cholecalciferol (vitamin D₃), cyanocobalamin (vitamin B₁₂)], coenzyme Q₁₀, green tea extract (leaves), pomegranate extract (fruit), sodium hyaluronate, iron pyrophosphate, collagen UC-II, grape seed extract (seeds), saffron extract (stigma), ginger extract (root), manganese citrate, zinc oxide, black pepper extract (fruit), lutein, astaxanthin, corn starch, bamboo extract (marrow), lycopene, zeaxanthin, sodium selenate.
Gluten-free. Lactose-free.

Not to be taken on an empty stomach, not on a strict, low-calorie diet and not at the same time as other green tea-based products. Keep out of reach of children. The stated, recommended daily dose should not be exceeded. Does not serve as a substitute for a balanced, varied diet and a healthy lifestyle.
